KIOTI HX SERIES BUY BACK GUARANTEE.

A flexible finance solution tailored to your needs.

With the Kioti HX Series Buy Back Guarantee you'll have a hasslefree finance agreement plus peace of mind from the moment you step into your new tractor.

Here's how it works:

- 1. Start by selecting the Kioti HX Series you want.
- 2. Choose the contract term which suits you best (24 months, 36 months, 48 months or 60 months).
- 3. Next, agree the annual hourly allowance (e.g. 1000 hours per annum).
- 4. Choose your deposit amount (which also gives you the option to reduce your repayments to fit your budget).
- 5. We'll then calculate the assured future value based on the total hourly allowance and your chosen contract term.

Secure your future, reduce your risk.

When you've finished your term, we can look at options that suit your business objectives:

Renew – if you'd like to upgrade to a new Kioti HX Series, your guaranteed future value will contribute towards the purchase of your new tractor.

Retain – if you'd like to own your Kioti HX Series at the end of your agreed term you can buy it outright, by refinancing or paying the balance.

Return – if you decide to return your Kioti HX Series, then provided the tractor meets the fair wear and tear conditions, it's within the agreed hourly allowance and you've made your regular payments, we'll take it off your hands.
